Release 2.9.0-dev

Laurent Gautier
rpy2 contributors

Sep 25, 2016

Warning: This documentation describe the rpy2 package version 2.9 on Sep 25, 2016. This is still early development for the 2.9 series and while care is taken to keep the development branch functional at all times, and this documentation up-to-date, temporary issues may appear: please remember that this is software under development. Use the released series (2.8.x) for production.
